Related Coursework

Competencies

Computer Teaching (TEXES)

Relevant Experience

"Hans'...knowledge and work ethic have far exceeded our expectations. He is the Principal author of the Colorado Street (US 183) Corridor Improvement Plan that ultimately will be adopted as an element of the Lockhart 2020 Comprehensive Plan...and the initial draft of entirely new off-street parking standards for the zoning ordinance." Dan Gibson AICP, Planner, City of Lockhart, Texas

Additional Employment

Academic Showcase

"He produced...one of the best Masters reports in the department of Geography." David Parr, GIS Instructor, Texas State University
